**The Framingham Community Theater, a Program of
The Performing Arts Center of MetroWest Presents:**

***The Pirates of Framingham: A Swashbuckling Tale of Legend & Treasure
An Original Mystery Dinner Theater Where YOU Solve the Mystery***

It is 2009 and Billie and Annie are cleaning out their mother's house. They come across an old journal, clearly it was written by a pirate. The journal comes to life and suddenly you are back in 1699 where we meet Captains Krunch & Morgen and their crews in the Caribbean, just before they depart for New England. Will there be a sword fight? But who wrote the journal? And where is the treasure hidden? The audience will solve the mystery! *The Pirates of Framingham* is an original mystery dinner theater production based on the REAL legend of Captain Kidd's buried pirate treasure in Framingham 's Learned Pond.

Directed by Mark Bedell, a veteran Hollywood Stunt Coordinator. Mark has been seen in everything from *Pirates of the Caribbean: Dead Man's Chest* to *The West Wing*. He has worked with many television and film companies including the History Channel, Spike TV, the Sci-Fi Channel and Showtime. Mark is a Certified Fight Director with the Society of Professional Staged Combat.

Ticket price includes admission to the show AND a 3-course dinner provided by local caterer Currier & Chives! Please note that if you are interested in bringing children to see this show, we recommend ages 10 & up.
